2. Collection personal data

When enrolling WiN NL the following personal data is gathered: name, address, e-mail address, telephone number, date and place of birth, gender, nationality, organization name, starting study year, student number, study programme,. If this information is not supplied enrolment for WiN NL is not possible. During activities photographs/video may be taken, when becoming a member of WiN NL. you agree to the storage of these pictures and the usage for promotion..

3. Access personal data

(a) Board;

The current board of WiN NL has access to the members administration, which contains the personal data of all members. The board can use this data for mailing purposes and the verification of memberships. All digital files are only accessible by the board. Paper forms with personal data are locked away in closets only accessible by members of the board.

(b) Candidate board;

The candidate board has access to the members administration. The candidate board uses this data to train and prepare for their board year. The members of the candidate board are required to sign a declaration of integrity.

(c) ASO;

The automatization, service and maintenance committee (ASO) of WiN NL is responsible for the servers and other IT facilities of the association. To do their job they have to have complete access to all servers and the files they contain. To make sure they treat the data in these files with caution, they are required to sign a declaration of integrity.

(d) Committees (limited access).

When a committee organises an activity which requires enrolment, this committee gains access to the names and e-mail addresses of the participants. When a committee needs more data, they will ask the participants to provide this data themselves. The board will never give personal data to a committee without consent of the participants.

4. Transfer of personal data

WiN NL provides personal data to the following external parties:

(a) **Infomaniak;**

The association software provider, Infomaniak who has management authorization over their system, are able to see all processed personal data.

(b) **Companies hosting activities in cooperation with WiN NL**

When a company hosts an activity, it might be obligatory to send copies of identity documents or social security numbers to gain access to the plant or resumes to allow the company to select participants for their activity. WiN NL will always explain to the participants why they need this data, delete this data after the activity and demand the company does as well.

5. Your rights

WiN NL processes your personal data, but as a data subject, you have several rights to keep control over your personal data. You will find more information on these rights below. In case you have any questions or you wish to exercise these rights, please contact the board of WiN NL via www.womeninnuclear.nl; netherlands@womeninnuclear.nl

(a) **Right to access personal data**

You have the right to receive, amongst others, a copy of your personal data which is being processed.

(b) **Right to erasure**

The right to be forgotten. It is not always possible to erase all personal data.

(c) **Right to rectification**

The right to have inaccurate personal data rectified, or completed if it is incomplete.

(d) **Right to data portability**

This right allows the data subject to obtain and reuse their personal data for their own purposes across different services.

(e) **Right to restrict processing**

Under certain circumstances, you have the right to have fewer personal data being processed.

(f) **Rights in relation to automated decision making and profiling**

This is not applicable therefore; subjects have the right to have a human view on the decision].

(g) **Right to object**

In certain circumstances, you have the right to object to processing

6 COMPLAINTS

This Privacy Policy is reviewed every academic year. We encourage you to check the policy regularly. In case you have a complaint about the way WiN NL handles your personal data, you can contact the Dutch Privacy Authority (Autoriteit Persoonsgegevens).

7 CONTACT
